## *The Next Production Revolution (NPR) for Nigeria*

Wednesday, 19<sup>th</sup> June, 2019, 11:00 am  
Covenant University, Ota, Ogun State, Nigeria

"The International Conference on Energy and Sustainable Environment (ICESE) is bringing together local and international experts, researchers, scholars, policymakers, industrialists, and innovators in various fields of energy and environment towards identifying and implementing innovative solutions for Nigeria's sustainable development. ICESE offers opportunities for collaboration, as well as, exhibition and display of products/services."

AID 11346  
Emerging African Innovation Leaders  
G7 Exchange & Empowerment Program for enabling Innovation  
within the Next Production Revolution
